Training for the
Food Establishment
Employee**

ServSafe Training

The Gallatin City-County Health Department is pleased to offer you a food safety training opportunity. The training is approved by the National Restaurant Association and ServSafe.

The primary focus of the training program is to educate you, the food service employee, on the basics of food safety.

A variety of learning activities and exercises are used in this training program. They are designed to enable you to apply these principles to your work place, giving you the advantage in the marketplace and making you a valuable asset to your place of employment.

Food Safety

- What is a Foodborne illness?
- How foods become unsafe

Ensuring Proper Personal Hygiene

- How food can become contaminated
- When to wash your hands
- How to use gloves properly

Purchasing, Receiving, and Storing
